

Welcome to - SHARMAN HOUSE - “Seize The Moment”

After responding to a radio advertisement asking for applicants to be the first British astronaut, Helen Sharman was selected to travel into space on 25th November 1989 ahead of nearly 13,000 other applicants. With hard-work and determination, she overcame vigorous training to succeed in her missions and fulfill a dream that many others longed for.

Students within the Sharman House will approach their learning with the same sense of determination as Sharman. They will embrace the unknown as part of an adventure that will bring improved opportunities for themselves and the rest of the college community. As a student of Sharman House, they will “seize the moment”.

Make A Wish Foundation UK is a charity that has been set up to grant magical wishes to children and youngsters fighting life threatening conditions.

As part of Sharman House, we will be attached to this charity and endeavour to do our utmost to help make sure that ‘wishes do come true’.
